

Family Interests Survey

Surveys can inform deeper conversations with your families around on the topics of interest. If a critical mass of potential participants wants particular activities, workshops or services, then the offerings should be tailored to the particular needs of the participants.

Dear Family!

Here at _____ we are always looking for creative ways to engage families and participants. Please tell us about your interests and needs, by taking a moment to fill out this brief survey and return it to a staff person. Thanks for your input!
